ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent. with their bids and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

The coins will be on display the day of the sale at our offices and can be seen by appointment, any day prior to the sale.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

IS THIS YOUR FIRST AUCTION CATALOG?

12th EDITION GUIDE BOOK AND 18th EDITION STANDARD CATALOG
USED IN CATALOGING THIS SALE

Proof coins, branch mints 1892-1940 unc., and currency seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of the results in our past sales which reflect the actual and not theoretical value. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, ETC. ARE ESTIMATED AT CATALOG.)**

in the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. Coin collecting is a personal hobby which makes life a little more pleasant. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION.**

BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN.

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, compliments (yes we receive some now and then), we want to hear them. Having cataloged over two hundred successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 6¢ airmail stamp to find out what we would pay for your outstanding pieces? naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the **bid sheet**. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

TREASURY OR COIN NOTES

Only two series issued; the 1890 issue with the beautiful ornate reverses and the 1891 with the open type reverses (to make it easier to spot counterfeits). Payable IN COIN (gold or silver). An interesting attempt to combine the gold and silver certificates in one issue. Now quite popular and rapidly rising in value.

1918 FEDERAL RESERVE BANK NOTES

A most interesting "emergency issue" authorized in lieu of the shortage of silver certificates around World War I. Withdrawn from circulation with the issue of the 1923 \$1 and \$5 silver certificates. This helps account for the relative scarcity of this issue compared to the legals and silvers which were allowed to circulate until worn out.

1914 FEDERAL RESERVE NOTES—BLUE SEALS

Undoubtedly a great many "sleepers" exist in this neglected series as WE DO NOT KNOW OF A SINGLE COMPLETE COLLECTION. We believe that this series will show a spectacular rise in value once the collectors realize how "reasonable" this series can be obtained (when available) in relation to face value compared to other series. With the rise in values of the other series, this now becomes "one of the lowest priced series to collect."

2268 1880 BRILLIANT PROOF WITH ORANGE TINT. ONLY 36 ISSUED. With a regular issue of only 1600, this date is in great demand. NEXT TO 1875, THIS IS THE RAREST DATE OF THE PHILADELPHIA MINT, and in number issued, compares favorably with the branch mints valued into the hundreds of dollars. Catalogs \$100 but the strong demand may send it closer to 125.00

2269 1881 Brilliant uncirculated with PROOFLIKE SURFACE (or as one of our colleague's would say, "pseudo-proof"). So choice that it is understandable why it was acquired as a proof. Cost \$60; the standard catalog lists proofs at 80.00

2270 1882 Another beauty we are tempted to call a proof but close examination with a glass leads us to believe that it is a "pseudo-proof" or "semi-proof". The last standard catalog (compiled 1½ years ago) listed proofs at 65.00

2271 1883 Similar to the above "semi-proof". Cataloged in standard in proofs at 60.00

2272 1884 RE-ENGRAVED DATE WITH ORIGINAL DATE STARTED MUCH TOO LOW, PERFECT BRILLIANT PROOF. RARE. 100.00

\$21½ GOLD

We were amazed at the amount of bids received on this series in our April and May sales. While new records were set there they have since been surpassed by several Eastern sales in addition to specimens sold outright. We believe that many of the following will appear as "bargains" within the near future.

- 2287 1805 7x6 STARS, extremely fine, tiny nick. We note the standard catalog (prices compiled 1½ years ago) lists v.f. at \$180; certainly this superior specimen is now worth closer to ---- 350.00**

2288 1806 OVER 5, PROOFLIKE WITH ORANGE TINT. A BREATHTAKING EXAMPLE OF WHAT WE HAVE BEEN INFORMED (BY A LEADING "NUMISMATIC STUDENT") IS THE THIRD RAREST QUARTER EAGLE (BEING EXCEEDED IN RARITY ONLY BY THE 1841 AND 1854-S).

In checking our records, we find that we have handled one 1841, two 1854-S and this is the third 1806 over 5 (which by a strange coincidence works out in the same rarity ratio). The last 1806 over 5 was the one in our April sale containing a complete \$21½ collection except three. It was lot 2118 described as follows: "1806 OVER 5, 7x6 STARS, very fine and sharp. THE SAME NUMBER ISSUED AS FOR THE EXTREMELY RARE 1798 5 BERRY REVERSE. IN OUR OPINION, THE MOST UNDERVALUED OF ALL THE EARLY DATES. **It has been offered on the market less times than the 1796's (brought \$1400.00) or 1797.** The rarity of this coin is probably accounted for (in addition to the extremely small issue) by the fact that the overdate is not readily noticeable except by fairly close examination. In all probability, the early collectors were content with only the 1806 over 4 to represent this date. Therefore, only a very few of these were retained by the early collectors (if they actually knew of this major variety). We can recall cataloging only one other specimen in rather inferior condition (which later became the "Davis-Graves" specimen). This is the specimen which appeared in our October 1957 sale as lot 1009 (the last specimen to be acquired in this collection and as stated by the owner, "The hardest one for me to find"). It was described therein as follows: "1806 Over 5, Very fine and sharp. AN OUTSTANDING RARITY. Greatly undervalued in fact it appears on the market far less frequently than the 1808 which catalogs (standard catalog issued September 1957) in Very fine \$750.00." The owner "stole" this outstanding rarity at that sale at only \$625.00. We believe it is now worth closer to \$900.00 or \$1000.00." If the very fine 1854-S sold in a New York sale in June is worth the \$3500.00 it brought, then THIS RE-MARKABLE SPECIMAN (PROBABLY "FINEST-KNOWN") OF A GREAT RARITY is worth at least ----- \$2500.00

2289	1826 OVER 25, Dif. type, very nearly uncirculated. VERY RARE. One of the smallest issues of the entire series. The specimen in our May sale (superior to this one)brought -----	780.00
2290	1829 DIFFERENT TYPE by Wm. Kneass, BRILLIANT PROOF. RARE. -----	350.00
2291	1832 A choice specimen showing only slightest wear. IN GREAT DEMAND FOR TYPE. -----	160.00
2292	1834 SMALLER BUT THICKER, Dif. type, appears to have been STRUCK AS A PROOF but now shows considerable rubbing in fields. Records to -----	100.00
2293	Similar but extremely fine. Cat. unc. -----	25.00
2294	1835 Extremely fine. Catalogs unc.-----	25.00
2295	1836 Extremely fine. Catalogs unc.-----	22.50
2296	1838 Very nearly uncirculated with traces of prooflike luster. SCARCE. -----	35.00
2297	1838-C WITH MINT MARK ON OBERSE, mint mark "C" re-engraved over an original "C" which was cut too low, uncirculated with some patina. THE FIRST YEAR OF THE CHARLOTTE MINT. The last comparable specimen we had was the one in our February sale which realized \$125 on an estimated value of \$150; this one should now bring closer to ----	175.00
2298	1839 OVER 38-C, very nearly uncirculated. RARE. MINT MARK ON OBERSE. In great demand as first year when all the mints (P.C.D.O.) were issued. The uncirculated one in our February sale brought \$120; this one could now bring that or even -----	125.00
2299	1839 OVER 38-D, Uncirculated with orange patina. MINT MARK ON OBERSE. RARE. The inferior specimen in our great May sale offering realized \$110 on an estimated value of \$125; this superior specimen could now bring around -----	175.00
2300	1839-0 MINT MARK OBERSE, very nearly uncirculated, sharp. SCARCE. We recently saw an unc. one offered at -----	75.00
2301	1840-C DIF. TYPE, Mint Mark on Reverse, extremely fine. A virtually similar condition specimen in May was valued at ----	85.00
2302	1840-D Very nearly uncirculated. ONLY 3532 ISSUED. RARE. Not in our February or May sales outstanding \$2½ collections. The one in our virtually complete \$2½ offering of April was only very good. ONE OF THE MOST UNDER-VALUED DATES IN THE SERIES. May well bring around ----	250.00
2303	1840-0 Very nearly uncirculated. In demand as first year with reverse mint mark. Judging from how seldom this date is offered, it may well be a "sleeper". -----	40.00
2304	1841-C Very nearly uncirculated. RARE. Another "sleeper" seldom offered. The one in our April sale (slightly better) brought \$155 with an estimated value of -----	200.00
2305	1842 Fine. RARE. ONLY 2823 ISSUED. ONE OF THE RAREST OF ALL THE PHILADELPHIA MINTS. The extremely fine specimen in our May sale brought -----	79.00

2306	1842-C Extremely fine. RARE. Referred to by Max Mehl as the "Rarest quarter eagle of this mint". Just about equal to the one in our April sale which brought \$95 and was valued at \$125; may well now bring closer to	150.00
2307	1843-D Small date as above, BRILLIANT PROOFLIKE GEM WITH SLIGHT ORANGE TINT. BY FAR THE CHOICEST SPECIMAN WE CAN RECALL SEEING. Notation on envelope, "I refused \$150.00 for this coin 2/9/56". With the rise in values of quarter eagles during the last two years, this remarkable specimen may well now bring closer to	250.00
2308	1843-0 Small date, uncirculated with some patina, short light hairline in field. Catalogs	30.00

2312	1844-D PROOFLIKE WITH YELLOW TINT. One of the choicest specimens we have seen. The owner "reached" for this in 1956 at \$75; with the increased demand it could now bring over	125.00
2313	1845 Very nearly uncirculated. Cat. unc.	30.00
2314	1845-D Fine. In demand as are all Dahlonge mints.	30.00
2315	1845-0 Extremely fine. RARE. ONLY 4000 ISSUED. THE RAREST DATE FROM THIS MINT. Missing in many of the leading collections. The very fine one in our April sale was valued at \$125; this superior one should be worth at least	150.00
2316	1846 OVER 44 according to the standard catalog authorities—the same variety exists on the 10c and \$1 of this date, uncirculated with some patina. The same variety in virtually similar condition in our February sale brought	155.00
2317	1846 OVER 45? (appears to be an overdate) fine. The very fine specimen in our May sale was valued at	75.00
2318	1846 OVER 45-0? (appears to be an overdate) extremely fine and sharp.	40.00

------	--	--------

2324	1848-C Very fine. The extremely fine one in our May sale was valued at	75.00
2325	1848-D Very nearly uncirculated with orange patina. The choice specimen in our October 1957 sale brought	102.50
2326	1849 OVER 48 SIMILAR TO 1849 OVER 48 HALFDIME, uncirculated with orange tint, some prooflike surface. The extremely fine specimen in our February sale brought \$127.50; this one should be worth at least	150.00
2327	1849-C Extremely fine. RARE. Judging from how seldom this date is offered, it is somewhat of a "sleeper".	85.00
2328	1849-D Re-engraved 1 in date, very nearly uncirculated, sharp. RARE. Another date seldom offered.	100.00
2329	1850-C Very nearly uncirculated, sharp. RARE. Seldom offered. Superior to the one in our April sale.	85.00

2334	1851-0 FAMOUS DOUBLE DATE with original date too low and to the left, UNCIRCULATED with yellow tint. Far superior to the specimen in the 1954 A.N.A. convention sale which brought \$85; may well now bring over	100.00
2335	1852 Fine. Catalogs	14.00
2336	1852-C Very fine and sharp. RARE. Almost the equal to our April one valued at	100.00

2339	1854-C Extremely fine. RARE. SMALL ISSUE.	75.00

2340	1854-D Very nearly uncirculated. VERY RARE. In fact the editor of the standard catalog states that he knows of only 10 specimens! The one in the outstanding collection in our April sale was only fine; this vastly superior specimen (certainly "one of the choicest-known") should bring at least	600.00

2428	1871 Another glittering semi-proof (even tho the envelope it came in was marked "proof"). Catalogs in proof at	235.00

2443 1834 NEW TYPE smaller but thicker, **CROSSLET 4**, AP-
PEARS TO HAVE BEEN STRUCK AS A PROOF but has been
mishandled in the 134 years since and now shows rubbing in
the fields. RARE IN ANY CONDITION BUT PROHIBITIVELY
SO IN THIS STATE OF PRESERVATION. Not listed in bet-
ter than very fine condition in the standard catalog and there
listed at \$125. in italics due to its rarity in that condition.
Judging from the popularity of gold in the last two years, we
would not be surprised to see this great rarity bring around ..\$1000.00

2453 1844-0 HERE'S ONE FOR THE "EXPERTS". CALLED A
"PROOF" BY THE OWNER. It does have a high broad bord-
er around the obverse and reverse with a PROOF SURFACE
ON BOTH OBVERSE AND REVERSE. Indeed a lovely coin
to behold. Whatever it was meant to be (proof, presenta-
tion coin, master coin, etc.) it is certainly worth an apprecia-
tive home. Its value? Quite problematical—it may bring only
\$100. and then again it may bring over 500.00

TERRITORIAL & PIONEER GOLD

One of the most, if not the most interesting series of U. S. coins. These were struck to fill the need for a coinage in place of the almost non-existent U. S. coins in the West and Southeastern U. S. at the time. Now that they are beginning to be appreciated, we have noticed a very marked rise in their value the last year or so with the trend promising to continue.

- 2504 \$1 C. BECHTLER (1831/1842) 30 gr., very nearly uncirculated.**
A choice specimen far superior to most we have seen; in fact,
better than the last one we saw quoted at **150.00**
- 2505 \$1 A. BECHTLER 27 gr., very nearly uncirculated. Catalogs**
 (unc.) \$65. but we have seen them quoted to **95.00**
- 2506 \$5 1849 MOFFAT & CO., a beautiful very nearly uncirculated**
 specimen but under a powerful magnifying glass there is evi-
 dence of an expert tiny repair. Earlier this year we cataloged a
 specimen about equal to this (but without the repair) at..... **125.00**

2507 \$20. 1853 U. S. ASSAY OFFICE, UNLISTED MAJOR VA-
RIETY, 900 OVER 800 THOUS., "UNITED" "AMERICA
TWENTY D." ARE ALL DOUBLE-LETTERED THROUGH-
OUT, very nearly uncirculated. Although we have handled
 a number of the regular variety during the last twenty-five
 years or so, we cannot recall handling another one of this ex-
 act type. Should bring between \$800. and **\$1000.00**

- 2508 \$20. 1853 MOFFAT & CO., extremely fine with yellow patina.**
RARE. Catalogs unc. **325.00**
- 2509 \$5 1849 MORMON, very fine to extremely fine. A nice speci-**
man of this rare coin. Now catalog to (for unc.) **300.00**
- 2510 \$5 1850 MORMAN, very nearly uncirculated. VERY RARE**
IN THIS STATE OF PRESERVATION. Should bring well
over its catalog value (unc.) of **350.00**
- 2511 \$2½ 1861 CLARK GRUBER & CO., DENVER, Prooflike but**
 judging from its weight it is probably copper with gold plat-
 ing. MUCH RARER IN COPPER than the regular gold which
 catalogs unc. **125.00**
- 2512 \$5 1861 Similar (probably copper with gold plating) uncirculat-**
 ed. RARER THAN THE GOLD which catalogs **110.00**
- 2513 \$20. 1861 Similar (probably copper with gold plating) uncircu-**
lated. The regular gold catalogs **1100.00**
- 2514 \$10. Size gold plated (probably copper or brass originally)**
 Liberty head in style of U. S. coin with 1847 below, reverse
 "CALIFORNIA COUNTER" around flag, unc. Items of this
 nature are now in GREAT DEMAND. What it will now bring,
 your guess is as good as ours.

2515 \$10. "CALIFORNIA GOLD, MORAN & CLARK, WARRANT-
ED 10 DOLLS. MINT VAL." on obverse, "SAN FRANCISCO,
CALIFORNIA, HDWT. 8 GR, 20½ CARAT" and wreath on
 reverse, fine. The obverse has a few light lines (probably to

test the gold). Judging from the weight, it is copper with gold plating. **ONLY 4 OR POSSIBLY 5 SPECIMENS SAID TO BE KNOWN (ALL OTHERS IN COPPER).** Listed in Adams book on California Gold. Undoubtedly a pattern like the Pacific Company (see page 210 Guidebook) equally as deserving of listing in the catalog as that issue. The last specimen we saw was in January at the Florida Convention where a dealer offered us a specimen at a "wholesale" price of \$1000.00 May well now bring closer to\$1500.00

- 2516 Larger than \$1 size, "1927 Abraham Lincoln" around his bust, reverse "A Token", BRILLIANT PROOF. Have seen it valued to 50.00
- 2517 1849 CALIFORNIA $\frac{1}{4}$, $\frac{1}{2}$, 1 \$5 "Models", appear to be gold but judging from their weight they are only gold plated. Listed in Adams "PRIVATE GOLD COINAGE". The last time we saw a set was in 1953 when they were then valued at \$150; should now be worth closer to 250.00

\$10 GOLD
